

For OEM Clients

SystemClean SpeedFlush

Non-foaming Acidic Cleaning Agent for Fixed-Tip Liquid Handling Systems and Analyzers for Use on a Daily Basis

Non-Foaming:

No interference with integrated conductivity sensor

Quick Flushing and High Efficacy:

· Due to a proprietary formulation of an acidic solution combined with organic polymers of optimized chain length, System Clean Speed Flush offers profound cleaning and quick flushing.

Application:

· Daily flushing recommended for excellent results with only 1-3 rinsing cycles necessary

Samples available - www.wak-chemie.com -

· Above described performance becomes obvious in simple preliminary testing.
